Please park where directed. Parking is available on both gravel and grassed areas (if grass is firm). Camping is available onsite for fully self-contained vehicles only. All camping at AEC MUST have been pre-booked with Karla Magnus.

Off Leash Area and Fouling

There is an off leash grassed area. This will be signposted and if in doubt, please ask any of the committee members. The area inside the wire

fence and on the bund side of the wire fence is out of bounds to ALL people and dogs. Please pick up after your dog and place in the bins provided.

Control of Dogs

It is your responsibility to be in control of your dog at all times.

There are to be NO dogs left unattended in vehicles (this includes trailers, cages, tied up etc or in any other unattended manner) past the end of the Indoor Complex on the neighbour's side of the grounds.

All competitors leaving dogs in vehicles should display their names on their vehicle so that if there is a problem with barking (or anything else) the owner can be located easily and personally contacted.

No dogs are allowed to be tied up inside or around the building. Due to limited space, crates and dog beds are not allowed to be set up inside the building.

There will be gazabos set up outside so that crates can be set up in the shade. If your dogs is disruptive, you will be asked to remove it from the building

Obedience Judges

Steve Hull (Auckland)

Firstly I would like to thank the Committee for inviting me to judge at the 2022 NDOA. It is certainly an honour and an achievement that I am proud to accept.

I have been involved in the Dog Obedience Sport for well over 35 years. I have been on the judging panel for well over 20 years and I have just been elected as Vice President of the OJA. Judging has taken up a good portion of my time which has involved a number numerous sacrifices, both personal and competition wise.

Having made my Irish Setter "Brooke" up to be an Obedience Champion, an achievement that will remain with me for a very long time. The types of dogs I have worked vary but have included Irish Setters, Border Collies and a long haired German Shepherd. All were very different and required different methods to achieve the desired training outcomes. I am not currently running a dog, infact I don't actually own one at the moment.

To train a dog I need the time which I simply don't have the time. Running my own business seems to have gotten in the way of a few things. But with semi-retirement not far away, I may just get the time back so that I have time on my hands to train a dog. So watch this space and I might end up with a Golden Retriever or even a Cavoodle.

Judging means a lot to me and I certainly take this role very seriously. I started Judging in 1997 as I felt it was a way for me to give something back to the sport I enjoyed. As a Judge I love to see a dog and handler working in unison as a team. It is a pleasure to watch & judge.

The sport we know as "Dog Obedience" has changed significantly over those years. The standard continues to be variable across the regions. Change is good, but there has to be a reason, a rational and a desired outcome for those changes to work. One thing we need to remember is to have fun.

After all this is a sport and a hobby we do because we enjoy. Never lose sight of that element.

Once again I thank the organising committee for offering me this appointment and I would also like to thank the organising committee for organising this show. The time taken to organise a show of this nature is huge and very time consuming.

To the competitors, make the most of the opportunities you encounter. The best advice I can offer is relax, enjoy and reward your dog. That dog will do their best and they won't make mistakes intentionally. They are indeed man and woman's best friend.

Enjoy and at the end of it all, keep smiling.

Jenny Rutherford (Porirua)

I have been competing in Obedience since 1991, originally with a heading dog "Billy" which I trained for Beginners to Test C. In more recent times I have worked, shown and bred the versatile Bearded Collie.

I have been on the judging panel since 1998 and am looking forward to judging at the Northern Region 2022 NDOA. I wish everyone the best of luck and hope everyone enjoys the experience of "just being here - doing what we love".

Mike Hoy (Feilding)

First of I would like to thank the organising committee for inviting me to judge at this year's NDOA – to be invited to judge at this show is an honour.

I have been involved in obedience for around 25 years first as a Steward and then as a judge.

Over the years I have also competing with a couple of our goldies Kacey and Shelby. I was even allowed to compete a couple of times in Test C with Colleen's Ob Champion Rossi, which was a huge amount of fun for me, but I think sometimes Rossi would come out of the ring and look at Colleen as much to say "what were you thinking"

Over the years I have held several positions from Club President – through to Branch Chair of the Central Region OJA and a stint as President of the OJA. I continue to Steward if I am not judging, as I like the challenge of stewarding especially Test B & C courses.

Good luck to all the competitors at this year's event and thank you for allowing me to spend some time in the ring with you and your dogs it is a privilege. Remember whatever happens you leave the ring with your best friend.

Wayne Loader (Auckland)

Thanks to our very hard working committee for including me in the activities.

I know they are all doing their best to make this a memorable event. Having missed two years of NDOA's, thanks to COVID, I personally am seriously looking forward to this one!

I have been a judge for 30 years and enjoy being involved with training and supporting our judges. I am a life member of two obedience clubs and am still very active at club level. Good luck everyone and enjoy the weekend.

Arend van den Bos (Christchurch)

Some very many years ago, my eldest daughter entered me into an Obedience Ribbon Trial and advised me of this (literally) five minutes before being required to be in the ring.

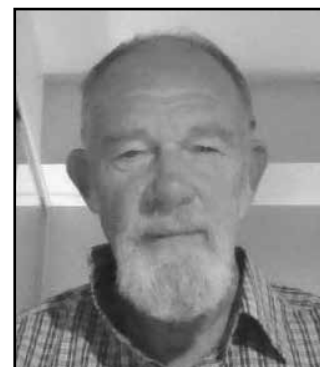

Since then, it seems as though I am more in it than out of it, having competed in Obedience from that point onward with a succession of dogs in multiple disciplines which have included Obedience; Working Trials; CD; Rally-O and Agility.

There are two old adages that have frequently guided my journey through the Obedience realm. These being: "Give as good as you get" and "What you give, you get".

Without boring you with a great deal of adventure and detail, let me just say that I have on more than one occasion been asked to judge at an NDOA, and on each occasion, the honour of being asked to do so is still considered a considerable compliment.

Of course, as mentioned, any acclamation attributed to me is also an acclamation of your willingness to have your performances accordingly scrutinized. A task that can be daunting, but hopefully will also become ultimately as rewarding for your journey as it has been for me.

Wishing all of you all the very best, and hopefully, irrespective of your personal goals having been achieved or not, that your keenness to continue remains.

John Muir (Hamilton)

Firstly I must say thank you to the Northern Region NDOA committee for selecting me to Judge at this years' NDOA. I have been Judging Obedience for 43 years, all over NZ, several NDOA's and Nationals and also in Singapore 3 times. It is amazing how Dogs can find new tricks to keep their handlers in line!

After joining Hamilton DOC in 1974 with a Miniature Poodle (Tina), which I pinched of Raewyn, made her into an Obedience Champion along with a (B&W) Border Collie (Karma), also made another Border Collie (Delta) into Agility Champ. Delta was NZ first Dual Champ- Obed and Agility, Raewyn did the Obedience bit!.

I am Life Member of Dogs New Zealand, Hamilton DOC, and the Wakatipu Rowing Club. Served 4 years as Zone one Rep and then 4 years as Dogs New Zealand Obedience Chairman. Still serving on the Hamilton DOC committee as Test Manager for Champ Shows.

I am now retired after 56 years in Aviation, as an Engineer and Commercial Pilot, which took me to places like Thailand, Iraq, Bangladesh, Syria, and a nicer one to the USA!

Have 2 B/C's at home,(Red/W) Carma & Seaka (Both OB GR CH's). I was lucky enough to be part for the NDOA Northern Region winning team in 2018.

Good luck to you all, have a great weekend.

Rally-O Judges

Arend van den Bos (Christchurch)

Some very many years ago, my eldest daughter entered me into an Obedience Ribbon Trial and advised me of this (literally) five minutes before being required to be in the ring.

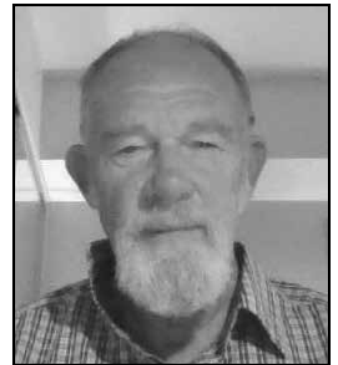

Since then, it seems as though I am more in it than out of it, having competed in Obedience from that point onward with a succession of dogs in multiple disciplines which have included Obedience; Working Trials; CD; Rally-O and Agility.

There are two old adages that have frequently guided my journey through the Obedience realm. These being: "Give as good as you get" and "What you give, you get".

Without boring you with a great deal of adventure and detail, let me just say that I have on more than one occasion been asked to judge at an NDOA, and on each occasion, the honour of being asked to do so is still considered a considerable compliment.

Of course, as mentioned, any acclamation attributed to me is also an acclamation of your willingness to have your performances accordingly scrutinized. A task that can be daunting, but hopefully will also become ultimately as rewarding for your journey as it has been for me.

Wishing all of you all the very best, and hopefully, irrespective of your personal goals having been achieved or not, that your keenness to continue remains.

Ruth Thorburn (Keri Keri)

Hi my name is Ruth Thorburn, and I've been involved in Obedience and Rally-O for too many years to count, but it must be about 35 years! Where has the time gone?

I have been heavily involved in Rally-O since it started in NZ. I have judged, competed with my Golden Retrievers and taught at club and I still enjoy watching a great team going around the ring.

I would like to thank the 2022 Northern Region NDOA Committee for inviting me to judge Rally-O at this years NDOA.

Being a national event means we get to catch up with friends from all over the country.

It is also going to be extra special, for the added reason that Covid has meant the Auckland Region in particular has not been able to have shows. Being in Lockdown for such a long time is difficult for dogs and handlers. Being unable to travel out of the region also meant those from Auckland and North were unable to attend last years NDOA. Hopefully we have seen an end to the restrictions and we can concentrate on doing what we love, competing with our dogs.

I wish everyone the best of luck. Enjoy your training and I will see you in October! I'm sure I will see some lovely rounds

Jan Walters (Auckland)

I was so excited to learn that the NDOA was being held in Auckland - I could enter with my dog and finally experience what I knew to be a pinnacle event. Tragically, Ness succumbed to a very aggressive cancer and died recently. All my dreams shattered.

You can imagine my joy when I was asked to judge some of the Rally-O at the NDOA - actually joy, pride and a whole load of nervous anticipation. I have been Rally-O coordinator at Norwest DTC for the past five years, a role I love. Rally-O is taught every Monday night and is offered to everybody, once they have reached a certain level of obedience with their dog.

Retired now from various roles - including teaching, horticulture, goat farming and cheese making, I now enjoy living in Waitakere, on a few acres, with the usual lifestyle animals - goats, chickens, donkeys, honey bees etc.

RallyO is such a great sport to be a part of. I love seeing new handlers grasp the concept, initially overwhelmed by all that's involved, but very soon enjoying the variety that it offers - especially for dogs and handlers that struggle with formal obedience.

I'm really looking forward to meeting lots of new people, and I know that I will be judging some very talented teams. RallyO is a fun activity - the human equivalent of an obstacle course. It needs happy handlers, tail-wagging dogs and the ability to laugh at yourself when the inevitable happens.

Working Trials Judges

Susan Sheppard

Thank you to the Committee of the Northern Region for inviting me to judge at the 2022 NDOA.

I began my judging career in 1990 when I became an Obedience and Agility judge and I am now on the Test C Obedience Panel. I joined the Working Trial Panel in 1993 and am on the TD and TT3 panel.

I have been active in the dog administration scene being a Life Member of Christchurch Dog Training Club (CDTC), Canterbury Canine Agility Training Society (CCATS), Obedience Trials Association and Obedience Judges Association holding various positions of President, Vice President, Head Instructor and Treasurer. I also had a stint as Zone Representative for two years. I am currently Secretary of the Obedience Judges Association.

I have three Australian Kelpies two of which are all getting on a bit in age and Kobe who will be just over two years old by the time the NDOA is being held. I have started competing with him in TT1 and Novice. Jade is my special little brown dog who received the Title of Grand Working Trials Champion and Tracking Trials Excellent.

Good to luck to all the handlers and their dogs and hopefully everyone has a wonderful weekend. I am looking forward to it especially if the weather stays fine for the working trials.

Sheeran Johnson

I have been involved in Working Trials since 1998. I started with my first Heading Dog Jock he was 4 years old, and was doing OB and AG at the time I wanted to see if he would enjoy tracking We both decided this was for him and was made up to WT CH and OB CH. Laddie my second dog became a WT CH then Bracken got TDX but unfortunately got Lymphoma and passed away before gaining his second TDX. At present I am working OB GR CH Winter who has qualified with TD and TDX. The youngest one in the family is Viking who has been doing a few little tracks.

I enjoy judging trial's it's a real buzz watching the dogs achieve all the exercises they have been taught by their handlers

Thank you for inviting me to judge at Northern this year. Good Luck and happy tracking to all competitors

DOG TRAINING

Northern Region Team

Beginners

Clare Bayly and Bowie

My name is Clare and my dog Bowie (Whitout Rebel Sunrise) is a three year old Standard Poodle with all the attributes of the breed – intelligence with an effervescent love of life.

He's the third Standard Poodle I've 'owned' along with a mix of other breeds. He is also the first dog I have competed in obedience with – while his predecessors undertook foundation obedience my competitive zeal was devoted to equestrian sport – show jumping and dressage. That was then, this is now. Retiring from riding, a demanding corporate job and setting up my own business provided the flexibility needed to dive into a sport which demands a similar level of technicality and affinity (possibly more ...) than dressage.

We undertook foundation training at club level and had just started one-on-one training when Covid lockdowns came along. But then, one year later, serendipity played a hand opening a door I thought had closed – training and competing in dog obedience.

I am thrilled to be a member of the Northern Region Team competing in Beginners and I am look forward to our *first* NDOA.

Novice

Jeff Walkington and Tonto

Hi, I am Jeff Walkington and with my dog Tonto we will be representing the Northern Region in Novice at the 2022 NDOA.

I was introduced to competitive Obedience about 14 years ago at Norwest Dog Training Club. After serving a couple of years on the committee, I was encouraged to take on the president's role. It soon became apparent that it was easier to take on the role than to leave it, as almost 12 years later I am still managing this awesome little club.

I am on the Test B judge's panel and really enjoy judging. I instruct domestic classes at NWDTC every Monday night which is my weekly buzz.

I have been a team member on 2 previous occasions, both with my first competitive dog Charlie the Cavalier in the Rally-O team. We were part of the first NDOA Rally-O team competition in 2014.

Tonto is a 4 year old Gollie (GR/BC) and proving to be a real gem who tries his hardest despite having to work with me. He has been very patient while I have been doing the judging thing. He is an awesome dog that I really enjoy training or just spending down time with.

I wish everyone the very best of luck in this year's event, it has been a long time coming.

GO NORTHERN!!!!

Test A

Carol Moffitt and Ailsa

My name is Carol and my dog Ailsa was born Easter Saturday seven years ago in our front room. She is a show dog firstly doing a little bit of obedience on the side.

She loves chasing sticks, jumping in troughs and picking her own apples. Good luck everyone, go Northern Region!

Test B

Liz Kirkman and Finn

Hi I am Liz Kirkman and my dog is Finn. I've been competing in obedience for 6 years. I started in Elementary with my first Stafford after attending domestic classes at my local dog training club.

At the time I was showing horses in Western Performance and obedience looked like an exciting new challenge! I took my first dog through to Novice, before beginning my journey in the ring with Finn 3 years ago. This will be our first time together at an NDOA (thx Covid!) and I'm excited to be representing the Northern Region in Test B.

Test C

Sherran Johnson & Winter

Hi my name is OB GR CH Hillswick Highland Winter. I am a 7yr old Tri coloured heading dog and we are happy to represent the Northern Region as the Test C dog.

I love life to the max and have a busy career participation in OB Test C, working trials where I am in TD level having gained one TDX and agility when we have time.

We also spend a lot of time on Waiheke Island where my mum, Sheeran keeps my training going. There is also plenty of time for swimming and walking.

Sheeran and I wish all competitors every success at the NDOA and safe travels.

Rally-O Novice

Penny Campbell and Parker

My name is Penny Campbell & my dog is Parker and we are representing Northern Region in Rally-O Novice.

I "was" very much a cat person for most of my life until I decided to purchase my first Golden Retriever boy in January 2000 and was keen to experiment in the breed showing world initially at Ribbon Parades.

The second Goldie I owned, Teddy did well in the breed ring and gained his Championship title in a short time frame. I also started experimenting with him in obedience and he won out of Elementary into Special Beginners.

I was rather hooked with the Breed Showing world so along came my next Goldie boys ... Cooper, Boston and Parker. With my interest and love for Golden Retrievers I became very involved on committee as Secretary and Show Secretary for the Golden Retriever Club for many years.

After all the Covid related lockdowns, I decided to have a go at something different and started Rally-O classes with my youngest boy Parker.

Under the guidance of my wonderful trainer Kate Oleksow who is so helpful, extremely passionate, and encouraging of her class members, she soon had me entered into Rally-O competitions. I must admit, I loved the fact you just turned up with your dog to a competition ... no grooming or bathing required.

I don't quite know how Kate did it, but she persuaded me to represent Northern Region in the team event at the NDOA in October 2022. I really don't know too much about the NDOA so am feeling rather nervous and excited at the same time to be able to be part of this wonderful experience with Parker.

Rally-O Advanced

Kate Oleksow and Lilly

Hi, my name is Kate and my dog is Lilly and we are representing Northern Region in Rally-O Advanced.

I came to New Zealand from Poland 11 years ago. I got my first Stafford Terrier, Nacho 6 years ago and joined Manukau Dog Training Club for domestic obedience and this is where we have stayed ever since.

We got hooked. I started competing 3 years ago in obedience and more recently discovered Rally-O and then scent work. In the meantime I have added another 2 Staffordshire Terriers to my home, one of which is Rosie whom I bred myself. I love the staffy breed - they are smart but not that easy to train. Rally O is challenging for us but at the same time we have plenty of fun.

The NDOA is the premier event of the year and when 3 years ago I went to watch dogs competing at the Auckland NDOA, my dream was that one day I will be good enough to represent our region in the team event. And here we are - me and my little princess Lilly.

Rally-O Excellent

Ellisia Cleeve and Poppy

My name is Ellisia Cleeve and my dog Poppy is a Fox Terrier x Border Collie who is turning 11 in November.

Poppy and I are excited to be representing Northern Region as the Rally-O Excellent Team Dog . This year will be our third year as part of the Northern Region team although we were unable to contest the Advanced title we held in 2019 due to last year's Covid19 restrictions.

I am a life member of the Kaipara Dog Training Club who are based in Mangawhai. It is at Kaipara Dog Training Club that I developed a love for agility and Rally-O.

I am legally blind and can find sport and social gatherings hard to navigate. Dog sport in general has been made accessible to me as a blind person due to the care and support I have been shown over the years.

Poppy and I will try our best to do the Northern Region proud and we aim to put our best paw forward and promise to be entertaining.

Utility Dog

Suzanne Wecke and Jedha

Hi, my name is Susanne and my dog is Jedha and we are the Northern Region WT team.

I started Working Trial tracking about 2008 as something fun to do with my dog. Shift work meant I never considered it more than a hobby when time permitted.

Now with some normal hours this year I decided to finally enter a trial.

Jedha is my first dog competing in Working Trials and she is coming along nicely. I am thrilled I can complete in UD with Jedha for the Northern Region.

Good luck to everyone competing in the trials and I look forward to enjoying the day with our dogs rising to the challenges. I am sure they will do us proud.

Tracking Dog

Nicki Oade and Drama

Hi, my name is Nicki Oade and my dog is Gregorian Dramatic Omen ADXB JDX CDX UDX WDX TTX RN SN NCS NIS NVS aka Drama.

We are representing the Northern Region as TD dog. It is not only an honour, but an amazing achievement for "Team Drama". True to her name, getting here has been a dramatic

journey, overcoming a horrific injury which happened 18 months ago. A huge thanks must go out to her medical & rehab team and to our friends who have been there for us.

Drama's huge heart, fighting spirit, and determination are all the traits that will be needed to compete at this level at the NDOA.

We wish our fellow competitors, both 2 & 4 legged all the best for their NDOA journey. In particular all the other amazing teams with dogs from our kennels representing their Regions.

Go the Gregorian GSDs!

Working Dog

Gary Martin and Luna

Hi, I am Gary Martin and my dog is Luna and we are representing Northern Region at the NDOA in WD.

After a misspent youth doing agility with noisy beardies, I took a couple of decades off from the dog show world and then got another beardedie, Luna. I spent a couple of years in denial before starting to train

to compete again. Not helped at all by some over-arousal and bird chasing issues making her a bit of a challenge. As the over-arousal and bird chasing issues were worst in wide open spaces, where she could run and bark, Working Trials was probably not the best choice for a quiet life. However, while we continue to have a constantly changing list of issues to work around it gives us plenty to keep working on and persistence is something we are not lacking in.

I do feel that trials is one of the more difficult disciplines to get all right on the day, but there is no bunch of competitors more supportive of your efforts and the times it does all come together makes it so worthwhile.

Central Region Team

Beginners

Jess Cameron and Gaia

Gaia and I are excited and honored to be representing Central Region for Beginners this year.

Gaia is my first dog and I have been working with her in both Obedience and Working Trials. We have fallen in love with the sport and the people involved easily make it a fantastic addiction.

Obedience has helped me overcome nerves and do something outside the box with my perfect teammate.

Look forward to seeing you all there and standing proud with my Central Region teammates! Go Central!

Novice

Rachael Wildbore and Flax

We are really pleased to be representing Central Region in Obedience as Novice dog at this Years NDOA.

My 3 year old boy Flax (Gregorian Field of Flax UDX) is such an active happy boy, he just loves life. There is never a dull moment with him, always giving me a laugh but he always keeps me on my toes. Flax enjoys anything as long as it's fun. He loves his outings always in the Ute first even if it's just going down the road. He has an abundance of toys he plays with every day. He always has to be doing something or getting up to something.

I've only competed once in the teams and that was quite a few years ago. I am really looking forward to competing with Flax this Year. I am sure we will both give it our all.

Good Luck to everyone, enjoy and have Fun.

Test A

Bill Moffat and Fly

I got into the world of dog competition in the early 1990s in Agility with a Ridgeback/Lab X bitch named Lace. She and I progressed through the levels up to and including Senior in the days before classes were split.

In late 2000, after a 2 year wait, I was handed a bundle of black fur by Karen Sadler and so my love of Sibe-Bords began. He was Cheetah and he and I competed from Beginners through to Test B before losing him in 2009. However, in 2005 I was lucky enough to get another Sibe-Bord, Cheetah's half-brother Bondi, who was one the most hardcase dogs I have ever owned. He was truly a dog of the people, but he and I did manage to get to Test B and get a couple of Test B wins under our belt before he retired. A slight change of direction in 2012 led to me getting Charley, my Blue Merle BC but in 2019 it was back to the Sibe-Bord again with perhaps the smartest dog I have or ever will own, Miss Fly, joining the pack. We compete in both Test A and B in between my judging appointments of which I judge up to and including Test B to give back to the sport I enjoy and we are looking forward to representing the Central Region In Test A at this year's NDOA.

Test B

Katrina Roebuck and Cyro

Test C

Michelle Ingham and Sansa

I am proud to be representing Central region in Test C this year with my lovely German Shepherd, Sansa. Sansa is the first dog I have made up to an Obedience champion she also competes in working trails and has qualified UDX and WDX. We live on 3 acres out the back of Shannon with 5 other dogs. My journey with my dogs has been amazing and I am lucky to have such great training friends. I'm looking forward to catching up with everyone at the NDOA this year and wish everyone good luck.

Rally-O Novice

Kristina Beresford and Mighty

Hi, I'm Kristina and I'm proud to represent Central Region in Novice Rally-O with my Border Collie Mighty from our Zentwist line. He's following in his mum's footsteps, Stellar, who was Novice Rally-O Team dog in 2019.

Mighty also competes successfully in Agility and Jumpers A, and his favourite game is the Frisbee.

I'm honoured to own and compete with such a lovely natured dog. We hope to do well for the team and look forward to seeing all team events.

Good luck everyone.

Rally-O Advanced

Lorraine Lennox and Tempo

I am very proud to be representing Central Region again with my lovely Tempo, Tempo is now part of our family so I am having lots of fun with him. He picks up everything so well so hopefully he does well for our team. Good luck to everyone and remember the dog you bring is the dog you take home and they will always do their best.

Rally-O Excellent

Renee Evans and Beau (also Working Trials Utility Dog)

I am very honoured to be part of the Central region team for the second year in a row with my noisy boy. Beau is a 3yr old farm bred Huntaway that true to breed, is known for being loud & proud in just about everything he does.

Although he is young, we have accomplished a fair few things. In Working Trials he gained his first UDX on his 2nd Birthday, the second at NDOA last year & this year both WDX on the weekend just before his 3rd Birthday. In Rally-O we are working towards gaining RAE with the ultimate goal of becoming Champion. We also have a go at obedience & the odd bit of agility when it doesn't clash with everything else we do!

Best of luck to all competitors & inter region teams.

Utility Dog

Wendy Austin and Shelby

Wendy was introduced to Working Trials 7 years ago with her Rottweiler Max who competed in TT's, while getting the trialling bug she decided to get a Border Collie who would have more of a working drive to compete in the Working Trials and be able to jump too!

Wendy runs a successful Game based Dog training business Game Changer Dogs from her rural property in Hawke's Bay helping owners get the best from their dog setting them up for success.

Very honoured to be the UD Team dog in October for Central and looking forward to having a successful trial. She feels incredibly blessed to have Shelby and looking forward to their competing journey together.

Tracking Dog

Sue Richardson and Phys

I am proud to be representing Central region in Working Trials this year. Phys is a super little tracker and I'm sure she will do try her hardest to complete all three TD tracks to help our team to win the Sarelle trophy.

Good luck to all the region teams and make sure you have fun with your dog. Remember no matter how they preform you are always taking the best dog home with you.

Southern Region Team

Beginners

Karolina Dyszy and Tris

All my life I've been involved with dogs. I was born and raised in Poland, growing up around Cocker Spaniels as my grandma bred them.

For a few years I was involved in dog trials all around the U.K. I worked with some of the most skilled handlers in the world and in a short time I became an international handler, teaching at clinics all around Europe.

When I was in the UK I had a kennel for Working Border Collies – CEMIG - and sold them all over the world.

I have also competed internationally with horses in show jumping. I also imported a Holstaiwer stallion from Germany and bred my own horses.

Having a German Shepherd has always been one of my dreams and ever since arriving in New Zealand, I've become interested in dog obedience.

My life is a little complicated at the moment, but I am hoping to represent Southern Region well at the NDOA.

Novice

Susan Sheppard and Kobe

Good luck to all the Region team dogs. Kobe, also known as Corindale Full Circle, has been an interesting dog unlike any previous Kelpies I've owned.

When he first arrived, I thought he'd been sent with Ever Ready batteries that I couldn't switch off. Fortunately, I've had a lot of help from various friends along the way. He's a very happy dog and loves to do zoomies on our walks. Kobe's a bit of an unpredictable dog and can do the most crazy things making me try and keep one step ahead of him which I manage only occasionally.

I love his cool nature so whatever happens in the team event I know he and I tried our best.

Test A

Alastair Kirk and Crikey

Crikey, basically a Border Collie, is the son of my older dog Twister. He loves to please me when he is working although he can be a bit of a worrier which at times can be challenging. He is the most honest dog I have worked.

Due to our business commitments, it has been several years since I have competed. I am looking forward to competing at this NDOA with my little dog and I wish all dogs and handlers all the very best.

Test B

Janice Kirk and Question

Question is a 2-year-old Border Collie / Shetland Sheepdog who is bred from a long line of our own dogs. She is not a spectacular dog to work but is generally very honest and reliable. Having been involved in obedience since 1978, attending my first NDOA in 1981 I just love meeting up with some of the original handlers from all over New Zealand.

Thank you to the Southern Region for selecting Question and I as the Test B dog. Good luck to everyone competing.

Test C

Helen McLelan & Flicka

Flicka and I reside in a small North Canterbury township with 2 other Border Collies on a small lifestyle block.

We are proud to be representing our Southern region in test C this year and wish everyone all the best for the teams.

Rally-O Novice

Janice Kirk & Puzzle

Puzzle is a 1-year-old Border Collie / Shetland Sheepdog and is a full brother to Question from a later litter. I fell in love with this cross and just had to have another one. He is a dog who loves to work and can be a bit over enthusiastic at times.

He is basically my obedience dog but for this NDOA is filling in as the Novice Rally dog. Puzzle always tries his hardest so now it is up to his handler to get the signs right. We wish all team handlers and dogs from all regions the best of luck.

Rally-O Advanced

Dawn McCracken and Torvi

Miss Torvi and I are very excited to be included in the Southern Region Rally-O Team this year. Torvi is my first pup in around 14 years and is still very puppyish at 22 months of age. She is a happy, clever, loving we girl and is the Miss Switzerland of my doggy family. She stays right out of the dog politics at all times.

Torvi completed her RN Title after her first three entries into the Rally-O ring, so we moved on quickly to the Advanced arena of this most enjoyable dog sport. Torvi is one of my three border collies and is my fifth in my border collie line-up.

We would like to wish all the teams and team members the very best of luck for the weekend and look forward to catching up with everyone.

Rally-O Excellent

Lyn Clearwater and Ransom

Ransom and I are lucky enough to be chosen to represent the Southern Region in Rally-O Excellent. Ransom has his RAE and will soon have his RAE 2.

Ransom is a 3 year old Border Collie, he competes in Obedience, Rally and Scent Work.

I have been doing Rally since it started in New Zealand, starting with Southern Region, before it came under DNZ.

Wishing all teams luck for the weekend, but may the best team (SR) win.

Utility Dog

Susan Sheppard & Kobe

I want to wish my fellow triallists the best of luck with their dogs.

Kobe, Corindale Full Circle, was named Full Circle because he is an ancestor of my original Kelpie who was a Cordindell dog. That dog is Kobe's great grandfather. I also bred his grandfather.

His first foray into tracking trials was in October 2021. He was 13 months old. During that weekend he gained two TT1A qualifications. He has been a real natural at tracking and took to it like a duck to water. Kobe has good food and play drives so he has been easy to reward. Until we were thrust into the team, we'd never looked at any jumps, let alone trained the dreaded send away so it could be an "interesting" day!!

Tracking Dog

Karen Wilson & Zeba

WT GR CH & TT CH ENYA-VON HEISENBERG CDXG UDX WDX TDX
TTX JD RN CGCB (Zeba TD Dog)

Zeba aka Miss Z or PPP pink perfect princess. A bi-colour GSD.

The feeling of being dragged around the countryside through all sorts of terrain watching that rhythmical swing of Zeba's tail. Articles delivered to hand, just love it. The camaraderie of trials, the joy of the sport, it's like no other.

Really looking forward to seeing everyone again & wishing you all the best. Have fun

Go southern region

Working Dog
